DuPont Historical Museum

Historical Society Book Signing **Letters from Baghdad**

Coming in November, former DuPont Mayor Mike Courts will be conducting a book signing for his new book *Letters from Baghdad Vol. 1: Tea with Terrorists*. The book dives into Col (Ret) Courts first year in Baghdad and gives insights into the daily life of a staff officer. The event will be held on **Nov. 6th at 7pm** at the DuPont Historical Museum. This event is open to the public and there is no cost to attend. For more information visit the museum website at <https://www.dupontmuseum.com/events>

DuPont Historical Museum honors Veterans Day **Reading & book signing by Mike Courts**

Letters from Baghdad Vol. 1 chronicles COL (Ret) Mike Courts' first year in Baghdad 2006-07.

Mike describes his team and life working in the "The Palace." Told in real time, *Letters from Baghdad* combines the serious issues of the war, insights into daily life of a staff officer, and humor into a compelling narrative of this critical period.

DuPont Parks & Recreation Presents

It's The Great Auction

City of DuPont

Annual Parks & Recreation Auction, **It's a Wrap!**

Many heartfelt thanks to our generous donors, sponsors, participants and bidders at our annual Parks & Recreation Auction. We are especially grateful to CalPortland and Farrelli's Wood Fire Pizza for the generous contributions to this event. We simply could not have done this without you! As a reminder proceeds from this year's event help to support youth, adult and senior programming. Thank you DuPont!

Parks and Recreation

Downtown Trick or Treating

As we turn the pages to October, this means downtown Trick or Treating in DuPont! Keeping with tradition, Parks & Recreation will host downtown Trick or Treating on **Tuesday, October 31, from 3:00 PM-5:00 PM** along Wilmington Drive. Families are all invited to Trick or Treat safely and responsibly on Halloween in our local businesses. We are often asked why we don't extend our Trick or Treating along Wilmington Drive to later in the evening. We end this annual event at 5PM out of respect to our business owners who also have families at home to celebrate the holiday with. We want them to be able to be home at a reasonable hour to enjoy time with their friends and families as well. If you see a business owner along the way, please be sure to thank them for opening their doors to the community on this special day. MUNICIPAL POSITION OPENING! - Civil Service Commission

The City of DuPont is looking for a citizen to fill a vacant position on the Civil Service Commission. The purpose of the Civil Service Commission is to implement, administer, and direct a civil service system that is consistent with state laws for sworn personnel of the DuPont Police Department and uniformed personnel of the DuPont Fire Department. The commission provides sworn police and uniformed fire employees with a quasi-judicial process for hearings on appeals concerning disciplinary actions, examination and testing, and other related issues.

For citizens interested in applying, detailed information about Civil Service Commission responsibilities and meeting times can be found on the City's website at <https://www.dupontwa.gov/83/Commissions>.

The current application can be found at: <https://www.dupontwa.gov/512/Vacancies>.

MUNICIPAL POSITION OPENING! - Lodging Tax Advisory Committee (LTAC)

The City of DuPont is looking for a citizen to fill a vacant position on the Lodging Tax Advisory Committee (LTAC). The Lodging Tax Advisory Committee oversees the LTAC grant program which is related to tourism development and promotion and made possible through taxes paid by consumers when they stay in paid lodging in the City of DuPont. LTAC grants are available to non-profits and public agencies. The committee reviews LTAC grant applications and recommends grant awards to the City Council for approval.

For citizens interested in applying, detailed information about LTAC responsibilities and meeting times can be found on the City's website at <https://www.dupontwa.gov/83/Commissions>.

The current application can be found at: <https://www.dupontwa.gov/512/Vacancies>.

MUNICIPAL POSITION OPENING! - Planning Commission

The City of DuPont is looking for a citizen to fill a vacant position on the Planning Commission. The purpose of the Planning Commission is to advise the City Council on General Land Use, Growth Management, Long-Range Capital Improvement Plans, and Transportation Planning.

For citizens interested in applying, detailed information about the Planning Commission's responsibilities and meeting times can be found on the City's website at <https://www.dupontwa.gov/83/Commissions>.

The current application can be found at: <https://www.dupontwa.gov/512/Vacancies>.

Congratulations, Christine Shilley, on becoming the City of DuPont's Certified Permit Technician!

Permit technicians are the first point of contact for the public that distribute permits. They examine plans, blueprints, and other documents to verify accuracy according to the build code and completeness; explain requirements and provide information to permit applicants; and process permit applications. Permit technicians also assist the Building Official in their day-to-day duties and perform basic data entry tasks. This career requires excellent written and verbal communication skills and data entry proficiency.

Becoming a Certified Permit Technician is a significant personal and professional accomplishment. Christine had the drive, ability, and dedication it took to earn this certification, and she will join a select group of professionals who have attained a high level of excellence and achievement validated through getting this certification. This was achieved by her years of construction experience, months of preparation and studying, and a 2-hour 60-question exam.

I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

The project extends HOV lanes in both directions into DuPont.

TRAFFIC ALERT!

A Comcast contractor is scheduled to do work in the right-of-way in a section of Center Drive from October 9th - November 10th. They will also be directing traffic on DuPont-Steilacoom Road for turns onto Center Drive. Their work hours will be 7:30 AM – 3:00 PM. Westbound Center Drive and northbound DuPont-Steilacoom Road will be reduced to one lane during these times. Please be cautious, patient, and follow all traffic instructions in this work zone. Thank you for your patience!

PUBLIC SERVICES – POLITICAL SIGNS

As election time gets closer, temporary political signs are being placed throughout the City. Following these types of sign requirements are essential for pedestrian and driver safety. Specifically, signs in locations that interfere with the site distance of pedestrians or motorists proceeding on or approaching public streets, intersections, alleys, driveways, parking areas, or sidewalks are not allowed.

Site distance can be determined by drawing an imaginary line that is 30' from the intersecting point of two sides of the right of way as shown in the graphic. All signs must be outside of this "site distance triangle". Signs that are placed within the site distance triangle will be removed and held at the City of DuPont Public Works and Maintenance Facility (301 Louviers Ave.) for pick up Monday- Friday between 8am-3pm.

Signs must be removed within five working days following an election.

Fall Leaves

We'll all agree the fall-colored leaves bring added beauty to the wonderful City of DuPont, yet they also cause a lot of yard work. Please be responsible for the leaves that fall in your yard and on the sidewalks in front of your homes, and do not blow them into the street. Instead, please put them in your yard waste receptacles. Work with your neighbors to make sure storm drains are clear. Keeping leaves raked and cleaned up will keep gutters and streets from filling up with water. Street sweepers will be coming by in the coming weeks (please see schedule below), so let's do our part to help ensure the streets are clear of leaves and debris. Thank you, residents!

CITY OF DUPONT WATER MAIN FLUSHING

The City of DuPont periodically flushes the pipes in our water system to remove rust and sediment, which helps ensure you receive clean, reliable water. Flushing forces high-velocity flows through the pipes and out through fire hydrants. Along with scouring the inside of water mains, this also helps us find and repair malfunctioning valves and hydrants before they cause problems. Water department crews will likely begin flushing in October 2023 and should complete the program in early 2024.

What to Expect-

- During flushing, you might see utility crews working at hydrants and valves in intersections and at the end of cul-de-sacs.
- Your water pressure may decrease during flushing, and you may see discoloration. This is temporary, not harmful and should clear up quickly.
- Avoid running the tap or turning on appliances that use water, such as dishwashers and clothes washers, when flushing is happening in your area.
- If you get discolored water or find sediment in your water, remove any aerators from your faucets and run the cold tap for a few minutes or until the water runs clear.
- Make sure your first load of laundry after flushing is dark clothes only.

If you have questions during normal business hours about our flushing programs, or if your water does not clear up within a short time after flushing is completed, please contact our Water Quality Section at (253) 964-8121 or publicworks@dupontwa.gov.

After business hours, call the Public Works Afterhours Emergency Contact Line at (253) 912-5389.

DuPont Parks & Trails

Did you know the City of DuPont has over 12 miles of maintained trails and nearly 20 developed park spaces? Or that there is a Community Garden or an off-leash dog park? You can discover all these places and more by using our City website's Parks & Facilities portal! The City Parks and the City Trails links use the same master search function that allows you to search by amenities or even trail difficulty! Whatever you select as a feature, only parks or trails that have that feature will populate! Looking for an easy trail with a water view? Select "water view" and "trail-easy," which will only bring up those trails! Are you looking for a park with a playground but also a bathroom? Search both of those features, and only those specific parks will show.

Discover a new park, a trail, or Community Garden, and explore these portals! <https://dupontwa.gov/198/Parks-Facilities>

Safety Message - Pedestrian Safety

The National Highway Traffic Safety Administration offers the following safety tips for pedestrians while walking in public places:

- Be predictable; follow the rules of the road and obey signs and signals.
- Keep alert at all times; don't be distracted by electronic devices that take your eyes (and ears) off the road.
- Whenever possible, cross streets at crosswalks or intersections, where drivers expect pedestrians. Look for cars in all directions, including those turning left or right.
- If a crosswalk or intersection is not available, locate a well-lit area where you have the best view of traffic. Wait for a gap in traffic that allows enough time to cross safely; continue watching for traffic as you cross.
- Never assume a driver sees you. Make eye contact with drivers as they approach to make sure you are seen.
- Be visible at all times. Wear bright clothing during the day, and wear reflective materials or use a flashlight at night.
- Watch for cars entering or exiting driveways, or backing up in parking lots.
- Avoid alcohol and drugs when walking; they impair your abilities and your judgment.
